Evening Survey - Indoor Air Quality and Well-being in Remote Work Settings

Mandatory questions are marked with an asterisk (*)

Instructions: Please complete this short survey near the end of your workday (around 17:00). Answer
all the questions based on your experience today.

Are you currently at your workstation? *

- ◯ Yes
- ◯ No

Compared to this morning, how would you rate the air right now? (1 = Much Worse, 5 = Much Better) *

◯

1- Much Worse: A noticeable, significant deterioration in quality (e.g., haze is thicker, smell is stronger).

◯

2- Worse: A slight deterioration (e.g., a bit more smell, haze, or dustiness).

◯

3- Same: No noticeable difference in quality or sensation.

◯

4- Better: A slight improvement in clarity/freshness.

○

5- Much Better: A noticeable, significant improvement in clarity/freshness.

Compared to the thermal sensation you felt this morning, how do you feel about the temperature in the workspace right now? *

○ 1-Cold – Uncomfortably cold; I need significantly more warmth (e.g., more clothing, a heater).

○ 2-Cool-Noticeably cool; slightly below the morning level.

○ 3- Neutral – Perfectly comfortable; I feel neither cool nor warm.

○ 4- Warm - Noticeably warm; slightly above morning level

○ 5 - Hot - Uncomfortably hot; I need significantly more cooling (e.g., less clothing, air conditioning).

Did you experience any symptoms during the day (select all that apply): *

☐ Dry throat

☐ Dry eyes

☐ Headache

☐ Stuffy nose

☐ Cough

☐ None

☐ Others (Please specify) _____

Did lighting conditions affect your work today? *

○

Yes, negatively (too dim/eye strain)

○

No noticeable effect

○

Yes, positively (good lighting helped focus)

Check all that apply to you today: *

- ☐ Took a nap
- ☐ Meals or Snacks break
- ☐ Cooked food
- ☐ Had intensive activity (e.g., went for a run/swim)
- ☐ Went outdoors

Did you take breaks for personal needs that required leaving your work area? *

- ○ Yes, 1–3 times
- ○ Yes, 3–6 times
- ○ Yes, more than 6 times.
- ○ No, I did not leave my workspace at all.

Did you perform any action to improve the ventilation of the workspace (e.g., opening the window/door for ventilation, using exhaust fans)? *

If yes, how many times (numeric response)?

- ○ Yes _____
- ○ No

Rate your mood level right now (1–5).
Please select the option that best describes your current mood level: *

○

1 = Extremely negative (e.g., very sad, depressed, or anxious)

○

2 = Slightly negative (somewhat down, irritated, or low energy but managing)

○

3 = Neutral (e.g., neither positive nor negative)

○

4 = Slightly positive (feeling good, upbeat, or calm with mild positivity)

○

5 = Extremely positive (e.g., very happy, energetic, or content)

Rate your stress level right now (1–5). Please refer to the descriptions below and select the option that best matches how you feel. *

○

1 = Very calm and relaxed (e.g., completely relaxed and carefree)

○

2 = Mostly calm with mild stress(e.g., slight tension but generally at ease)

○

3 = Moderately stressed but manageable (e.g., some pressure but able to handle it)

○

4 = Quite stressed with little relaxation (e.g., frequent tension and hard to stay calm)

○

5 = Extremely stressed or tense (e.g., overwhelmed and unable to cope)

Rate your overall productivity level today (1–5). Please refer to the descriptions below and select the option that best matches how you feel. *

○

1 = No productivity at all (e.g., couldn't complete any tasks or focus on work)

○

2 = Low productivity (e.g., completed very few tasks, struggled to stay focused or get started)

○

3 = Moderate productivity (e.g., completed some tasks but not as much as planned)

○

4 = High productivity (e.g., completed most tasks, stayed focused with occasional drops)

○

5 = Extremely productive (e.g., accomplished all goals and worked at peak efficiency)

Daily screen time on your phone reported in your phone (hours:minutes): *

Instructions to check screen time:
• iOS (iPhone): Open Settings → Screen Time. Tap See All → select Day/Week view. Look for "Total Screen Time" during work hours.
• Android: Open Settings → Digital Wellbeing & Parental Controls. Tap Dashboard

→ Select your phone usage for relevant apps. Sum total usage during work hours.
-> Write your answer in HH:MM format

00:00

Upload a picture of your workstation with today's evening clue. *

You must have received the clue in your daily email :)
